Logo voorstel 1B 2

Omdat de G-Moji app over het meten van gevoelens gaat, heb ik deze verbeeld in een golf: emoties zijn als golven die komen en gaan. Golven kun je ook meten.

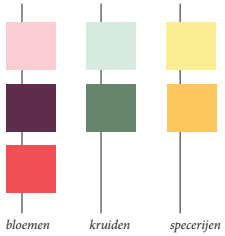
Het Tuin Kafe

Brand Identity 'Tuinkafe'
Icanchangetheworldwith-
mytwohands. -- Freelance

Om het gebruik van kleur te introduceren, kun je gebruik maken van 3 kleurgroepen: elk staat voor een ingrediëntensoort in de thee (of gebak?) >>>>



Zwart en wit blijven de basis, geen bruin recyclepapier, maar wel wat er tot nu toe gebruikt is: mat en eco/FSC.

Het logo heeft ook een verticale schrijfwijze

Het

Kafe

met groen vlak:

Kafe

Toepassing uithangbord: maat: 50 x 40 cm
(materiaal: plastic? duurzaam?)

Toepassing boven uitgifteraam
(Als je kiest voor groen vlak en/of handje zal ik dat hiervoor ook maken)

Menukaart
voorkant

achterkant: afhankelijk van hoeveel verschillende er zijn, kun je meerdere visuele 'menu's maken (of een poster)

Weck potten 3 opties: 1. staand met illustratie

2. liggend met illustratie

3. staand zonder illustratie
